THE NEW FOUND BAPTIST ASSOCIATION CONSTITUTION

Whereas, the following Missionary Baptist Churches: Antioch, Ball City, Bear Creek, Beulah, Caney Fork, Cedar Hill, Chestnut Grove, Cross Rock, Ebenezer, Flats Spring Creek, French Broad, Harmony Hill, Hopewell, Hot Springs, First Inanda, Jones Valley, Liberty, Lower Big Pine, Lusk Chapel, Meadow Fork, New Hope, North Fork, Old Bull Creek, Paynes Chapel, Pinnacle View, Price Chapel, Redmon, Riverview, Turkey Creek, Union, Woodfin, Zion, Churches of the New Found Missionary Baptist Association of North Carolina and other

bodies propose uniting by these writings for the promotion of the Redeemer's Kingdom by the maintenance of love and friendship, and by mutual consultation for peace and welfare of each other, the following articles are adopted as the written bond of union:

Section 1.—The confederation of churches shall be known and called by the name of the New Found Baptist Association.

Section 2.—The object of the Association shall be to promote the glory of God on earth by preaching of His Son, Jesus Christ, our Savior, the universal spread of the Holy Bible, the word of the true God, and by other appropriate means.

Section 3.—This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4.—Each church shall be entitled to as many as seven representatives as delegates to the Association.

Section 5.—The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer and Assistant Clerk. These shall be ex-officio members of the Executive Committee.

Section 6.—Baptist churches not before united in an Association or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union by a majority consent of the Messengers present: provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Section 7.—This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

Section 8.—As every church is an independent body, amenable so far as authority is concerned to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Section 9.—In case of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the messengers. If neither party obtains a majority vote, the church will be considered dropped. No charges shall be received against a church unless presented from two or more churches in the union, through their Messengers.

Section 10.—It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 11.—The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all business shall have been regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 12.—When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Section 13.—The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by the body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's Kingdom on earth.

Section 14.—The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years, or report sent in, shall be cause to withdraw from such church, at the discretion of the Association.

Section 15.—Amendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the Minutes of the preceding year.

Section 16.—The Constitution shall be printed in the Minutes of the Association each year and in force on and after the annual session of the preceding year.

Section 17.—Any and all previous Constitution of this Association is hereby repealed.

THE NEW FOUND BAPTIST ASSOCIATION BY-LAWS OR RULES OF ORDER

1.—Every sitting of this body, the New Found Baptist Association, shall be opened and closed by prayer.

2.—A Moderator, Vice-Moderator, Clerk and Treasurer and Assistant Clerk and other officers shall be chosen annually by ballot, or if unanimously, by acclamation before noon on the first day of the annual session of the body present and take over their office the last act of the session.

3.—The Moderator shall preside and decide all questions of order, subject to appeal to the Association. He shall appoint all committees, unless otherwise ordered.

4.—The Clerk shall preserve a regular file of minutes of the Association from year to year, and have it present at the meeting of the body; and when he vacates his office, deliver the same with all books and other papers relating to his office, to his successor. He shall be required to keep an accurate record of the proceedings of the meetings and have charge of the printing of the Minutes of the Association.

5.—Business generally shall originate from minutes of the last session and the letters of the present but other matters may be introduced by consent of the Association.

6.—Brethren invited to seats with us shall have the liberty of discussion but not a vote.

7.—No question shall be discussed without a motion thereon first being made and seconded. Motion made and seconded shall be stated by the Moderator previous to any discussion thereon. All resolutions shall be reduced to writing before being put to vote. Lost motions shall not be recorded unless ordered.

8.—Speakers shall rise and address the Moderator, and if recognized, shall confine themselves to the subject under discussion. No person shall speak more than twice on the same subject without leave of the Association.

9.—If a proposition or motion contains two or more points it shall be divided by request of one or more members and vote taken separately.

10.—The Moderator may speak on any subject, either by permission or provided the chair is filled by the Vice-Moderator or a member of the Association. He shall not vote unless the Association is divided.

11.—A motion to adjourn shall always be in order, except when the Association is voting or a member speaking, and shall be decided without debate.

12.—In case any church of this Association shall not be represented by messenger or letter at two consecutive annual sessions, a committee, to consist of two pastors and one layman, shall be appointed by the Moderator to visit said church, and, in behalf of the Association, to counsel and advise or aid in a series of meetings or otherwise encourage and help such church, as the case may demand, and report to the Association at the next session.

13.—Each church in this Association is urged to contribute systematically during the year for Missions and Benevolences, and to forward same to the Secretary-Treasurer of the General Board at Raleigh, N. C.

14.—The churches and Sunday Schools are urged to make full and exact reports of all money raised during the Association year, taking pains to fill out correctly all statistical blanks.

15.—Statistical tables showing statistics of the churches including all finances, shall be published in the minutes each year. All Sunday School statistics shall be published in a separate table.

16.—These rules of order shall be printed in the Minutes every year, and shall be read immediately after the organization of the body.

AMERICAN BIBLE SOCIETY REPORT

What is the work of the American Bible Society? Its work is to supply the foreign or home missionary with scriptures in the language of the people with whom he works—or a student who has served as a “summer Missionary” or is a volunteer for mission work, a local missionary or pastor with special editions for special missionary needs—such as large type Scriptures for persons with failing eyesight; also Gospels and other separate books of the Bible, which are useful in visitation and in evangelistic programs.

The American Bible Society also provides scripture in Braille also on talking Book records for the blind, to chaplains in the Armed Forces they provide New Testaments Bibles and Scripture Portions for distribution in their work. Let me urge everyone to be a part of this great work by sending to the American Bible Society your offering.

Respectfully submitted,
Miss Viola Hawkins

Due to the absence of the Representative, Mrs. James C. Buchanan, who had moved away, the report was submitted by Miss Viola Hawkins.

PERIODICALS REPORT

The air is full of isms and they are on the rampage. Materialism, socialism, communism, atheism, and many others, many Christians, blown about by every wind, know not their right hand from their left. In an hour like this our people need a safe guide. Periodicals are flooding the country, and it is for us to decide what we want to eat from these pages. We recommend to our Churches and Sunday Schools, first the Bible and then our Baptist denominational books and periodicals, published by our Sunday School board, we have the Charity and Children, Biblical Recorder, and other religious papers.

Respectfully submitted,
Mrs. James McElreath

ADMISSION OF NEW CHURCHES

We, your Committee on Admission of New Churches, find that Fox Creek Missionary Baptist Church, Rt. 2, Mars Hill, N. C., has applied for admittance into our union. We find this church meeting together for worship, and cooperating on the Holy Spirit for their guidance;

We therefore recommend this church be admitted to this body of believers, the New Found Baptist Association, for the purpose of promoting the Glory of God on earth.

Committee: Rev. Charlie Stockton, Rev. Lester G. Crayton, Mrs. Hilda Scott.

Introductory sermon by the appointee, Rev. Riley Corn, bringing an inspiring message from St. John 16:13. Subject, “We Need To Return To Our Safe Guard.” Talk by Rev. Jesse Corn.

AFTERNOON SERVICE NORTH CAROLINA BAPTIST HOSPITAL 1957 REPORT

Our North Carolina Baptist Hospital is dedicated to the service of those in need of medical care, the education of young people in various branches of medical service, and the bearing of a Christian witness throughout North Carolina and the world.

Once more it has set a new record in its ministry to sick people. Last year it provided 123,000 days of bed care for 15,784 patients. There were 61,000 visits to the out-patient clinics and 60,000 visits to the private clinics. Service patients came from 92 of the 100 counties of our State. This represents specialized medical care in twenty-five different fields of medicine and surgery. It represents the services of skilled medical specialists and special equipment in each of these fields. It represents a medical staff and equipment which, because of the many skills and the large investment involved, cannot be provided except in such a medical center. It provides medical service of the highest order for our people in North Carolina, whatever their financial circumstances may be.

The new Cobalt machine is in full operation, providing treatment for about 35 cancer patients each day. Our very fine plastic surgeon is doing highly skilled work, and our heart surgeon has performed successfully some of the newest and most difficult heart operations known. These services are typical of those offered by our Baptist Hospital.

If a person wishes to go to the Baptist Hospital for treatment, it is necessary that an appointment be made in advance. When an appointment is requested, accurate information must be given as to the general nature of the patient's problem and whether he needs to go through the out-patient clinic, rather than as a private or full-pay patient. The out-patient department is open to persons who are not able to pay the full cost of their medical care. In cases of emergency, or the need for immediate hospitalization, a local physician should always call or write the hospital in order that he may give the medical information required before the proper arrangements can be made. If a person will not be able to pay his full hospital bill when he leaves the hospital, definite financial arrangements should be made when he is admitted to the hospital and not left until later. This can prevent misunderstanding and unnecessary hardship.

It appears now that our churches of the State have made their largest Mother's Day offering this year. We are grateful for this because the needs for help have been greater than they have ever been before. Let us share in the ministry of our Baptist Hospital by giving generously of our prayers, our love, and our money.

Respectfully submitted,
Lloyd Fish

Orphanage Report called for.

ORPHANAGE REPORT

The year 1956 was another busy one at the Baptist Children's Homes. The Homes were able to admit to their care only one fifth of the children for whom application was made. There were a total of 813 applications. Of this number only 169 children could be admitted.

Certainly all the other 644 were in need or their applications would not have been signed by Baptist Pastors.

Careful research by the Social Service Department, in cooperation with the Pastors who had signed the applications, made it possible to place many of these 644 children with relatives or other agencies where their needs are met. Many others could not be placed and are still waiting for someone to come to their rescue. Our Pastors have been most tolerant and cooperative in trying to reach the weighty decisions as to which children were in greatest need and should be admitted to fill our few vacancies.

Respectfully submitted,
Rev. E. Venson Plemmons

In the absence of the Orphanage Representative, Rev. E. Venson Plemmons, O. M. Fish read the report.

Read and adopted.

Discussed by Rev. Robert B. Vaughn, and Miss Lucille Reed representing Mills Home.

Home for the Aged Report called for.

HOME FOR THE AGED REPORT

We are happy to report that our Baptist Homes for the Aged are expanding rapidly. There are now three homes in operation, the last one being completed the middle of May. These include the home at Albemarle with a capacity of 36, Resthaven, capacity 21, and the new Administration and Residential Building which has accommodations for fifty-two residents. Even though the three homes can accommodate 109 residents, no doubt there will be many for whom there will be no room. According to our last information very few of the Churches in the New Found Association had responded to the offering for the homes. Let us, as Baptists, support this worthy cause with our prayers and offerings that it may grow and prosper in the name of the Lord.

Education Report called for.

EDUCATION REPORT

We Baptists of North Carolina have a number of Baptist Colleges in which to educate our children. We should start their Christian training in our homes when they are young, then as they grow older they will grow and prosper in the Lord. Let us support as much as possible these educational causes.

Committee: Toney Clark, H. G. Hudgins, Rev. H. H. Mann.

Report read by Clerk.

Was read and adopted.

Discussed by Rev. Robert B. Vaughn, Rev. Bobby Gibson, Rev. J. M. Elliott, W. Lawson Allen, Gardner-Webb College.

Co-operative Program Report called for.

CO-OPERATIVE PROGRAM REPORT

The Co-Operative Program is an organization which was set up by the Southern Baptist Convention more than twenty-five years ago to unify the giving of Southern Baptists.

Every Southern Baptist Church is expected to contribute to this program. This program made it possible for great advance in the work of our Southern Convention during all these years. It is the program through which most of our Mission fund outside of state missions are given, all Home and Foreign missions and our Theological Seminaries are supported through this program.

It is the duty and responsibility of all the churches in the Association to support this Co-operative effort.

Committee: Rev. C. A. Worley, C. W. Fish, H. E. Plemmons.

Report read and adopted.

State of Churches and Ministers Report called for.

TEMPERANCE REPORT

No matter how close we walk with God we always have a fight against sin. We find many homes that have been broken up from strong drink. Many children that have been orphaned from the effects of drink more than any other sin.

Committee: Rev. Chester Freeman, A. L. Buckner, Mrs. Jack Mathis.

Report read and adopted.

Discussed by Rev. Robert B. Vaughn.

Memorial Report called for.

MEMORIAL REPORT

Blessed are they that die in the Lord for their works do follow on. Since the New Found Baptist Association met August 1956 28 of our members have passed away. We miss their presence and our loss is heavens gain.

Committee: Mrs. Inez Farmer, Mrs. Lloyd Fish, Rev. Charlie Stockton.

Report read and adopted.

Discussed by Rev. Charlie Stockton, Rev. J. M. Elliott, Lloyd Fish, Rev. Robert B. Vaughn.

Training Report called for.

TRAINING UNION REPORT

There have been no new Training Unions organized this year in the New Found Association, however with a growing realization of the need for Training Union on the part of our people the future looks good. Surely, as we grow in our Christian experience we will become more aware of the value of our Baptist Training Union work.

Respectfully submitted,
Rev. Calvin Metcalf

A move was made and adopted to drop the training union report from Association, not to compel churches to drop the training union, but drop report from minutes.

To withdraw from Inanda Baptist Church, because they broke the Constitution and By-Laws of the New Found Baptist Association (joined another association without calling for a letter) therefore it is not eligible for a letter.

Changed Article 4 of Constitution (See Constitution).

THE NEW FOUND BAPTIST ASSOCIATION CONSTITUTION

Whereas, the following Missionary Baptist Churches: Antioch, Ball City, Bear Creek, Beulah, Caney Fork, Cedar Hill, Chestnut Grove, Cross Rock, Ebenezer, Flats Spring Creek, French Broad, Harmony Hill, Hopewell, Hot Springs, First Inanda, Jones Valley, Liberty, Lower Big Pine, Lusk Chapel, Meadow Fork, New Hope, North Fork, Old Bull Creek, Paynes Chapel, Pinnacle View, Price Chapel, Redmon, Riverview, Turkey Creek, Union, Woodfin, Zion. Churches of the New Found Missionary Baptist Association of North Carolina and other bodies propose uniting by these writings for the promotion of the Redeemer's Kingdom by the maintenance of love and friendship, and by mutual consultation for peace and welfare of each other, the following articles are adopted as the written bond of union:

Section 1.—The confederation of churches shall be known and called by the name of the New Found Baptist Association.

Section 2.—The object of the Association shall be to promote the glory of God on earth by preaching of His Son, Jesus Christ, our Savior, the universal spread of the Holy Bible, the word of the true God, and by other appropriate means.

Section 3.—This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4.—Each church shall be entitled to as many as seven representatives as delegates to the Association.

Section 5.—The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer and Assistant Clerk. These shall be ex-officio members of the Executive Committee.

Section 6.—Baptist churches not before united in an Association or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union by a majority consent of the Messengers present: provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Section 7.—This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

Section 8.—As every church is an independent body, amenable so far as authority is concerned to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Section 9.—In case of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the messengers. If neither party obtains a majority vote, the church will be considered dropped. No charges shall be received against a church unless presented from two or more churches in the union, through their Messengers.

Section 10.—It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 11.—The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all business shall have been regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 12.—When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Section 13.—The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by the body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's Kingdom on earth.

Section 14.—The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years, or report sent in, shall be cause to withdraw from such church,

at the discretion of the Association.

Section 15.—Amendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the Minutes of the preceding year.

Section 16.—The Constitution shall be printed in the Minutes of the Association each year and in force on and after the annual session of the preceding year.

Section 17.—Any and all previous Constitution of this Association is hereby repealed.

THE NEW FOUND BAPTIST ASSOCIATION BY-LAWS OR RULES OF ORDER

1.—Every sitting of this body, the New Found Baptist Association, shall be opened and closed by prayer.

2.—A Moderator, Vice-Moderator, Clerk and Treasurer and Assistant Clerk and other officers shall be chosen annually by ballot, or if unanimously, by acclamation before noon on the first day of the annual session of the body present and take over their office the last act of the session.

3.—The Moderator shall preside and decide all questions of order, subject to appeal to the Association. He shall appoint all committees, unless otherwise ordered.

4.—The Clerk shall preserve a regular file of minutes of the Association from year to year, and have it present at the meeting of the body; and when he vacates his office, deliver the same with all books and other papers relating to his office, to his successor. He shall be required to keep an accurate record of the proceedings of the meetings and have charge of the printing of the Minutes of the Association.

5.—Business generally shall originate from minutes of the last session and the letters of the present but other matters may be introduced by consent of the Association.

6.—Brethren invited to seats with us shall have the liberty of discussion but not a vote.

7.—No question shall be discussed without a motion thereon first being made and seconded. Motion made and seconded shall be stated by the Moderator previous to any discussion thereon. All resolutions shall be reduced to writing before being put to vote. Lost motions shall not be recorded unless ordered.

8.—Speakers shall rise and address the Moderator, and if recognized, shall confine themselves to the subject under discussion. No person shall speak more than twice on the same subject without leave of the Association.

9.—If a proposition or motion contains two or more points it shall be divided by request of one or more members and vote taken separately.

10.—The Moderator may speak on any subject, either by permission or provided the chair is filled by the Vice-Moderator or a member of the Association. He shall not vote unless the Association is divided.

11.—A motion to adjourn shall always be in order, except when the Association is voting or a member speaking, and shall be decided without debate.

12.—In case any church of this Association shall not be represented by messenger or letter at two consecutive annual sessions, a committee, to consist of two pastors and one layman, shall be appointed by the Moderator to visit said church, and, in behalf of the Association, to counsel and advise or aid in a series of meetings or otherwise encourage and help such church, as the case may demand, and report to the Association at the next session.

13.—Each church in this Association is urged to contribute systematically during the year for Missions and Benevolences, and to forward same to the Secretary-Treasurer of the General Board at Raleigh, N. C.

14.—The churches and Sunday Schools are urged to make full and exact reports of all money raised during the Association year, taking pains to fill out correctly all statistical blanks.

15.—Statistical tables showing statistics of the churches including all finances, shall be published in the minutes each year. All Sunday School statistics shall be published in a separate table.

16.—These rules of order shall be printed in the Minutes every year, and shall be read immediately after the organization of the body.

Prayer by Rev. Riley Corn. Roll call of churches, 21 answering out of 32 churches, (See under heading, "Churches and Messengers"). The reading of Constitution and By-Laws were omitted. Officers were elected for the coming year, (See under heading Associational Directory and Officers).

Home for the Aged Report called for, the representative did not send in a report so the Hospital Report was given.

NORTH CAROLINA BAPTIST HOSPITAL
1958 REPORT

Our Baptist Hospital provides a well-rounded program of medical care and training under Christian guidance and influence.

It serves our people when they are sick and need specialized medical care which requires facilities beyond those available in their own communities. The Hospital works in full cooperation with our local physicians. It offers a wide range of specialized training in the different fields of medicine and surgery, in nursing, in various other fields of medical care, and in pastoral care.

Last year the Hospital provided bed care for 16,000 patients. There were 120,000 visits to the clinics and offices of the medical staff and chaplains. Service patients came from 92 of the 100 counties of the State. The services of the medical staff were given free to all service patients, and the Hospital spent more than half a million dollars in providing free care for them beyond what they were able to pay.

A service patient pays what he can of the cost of this care. To help make up the difference between what he can pay and the cost, the Hospital has some assistance from welfare agencies and the Duke

Endowment for patients who can qualify, but it must depend primarily upon the Mother's Day offerings. This fund can be used only in cases of real need and after the patient's family has paid all it can and all other possible help has been secured.

Two factors are forcing the Hospital to seek a largely increased Mother's Day support if it is to be able to continue such a service to our sick: First, hospital costs everywhere have increased more than 30% in the last five years; Second, as the number of North Carolina Baptists increases, the demand for this service increases.

Fortunately there has been an increase in the amount of Mother's Day offerings, also. These contributions have grown by 20% in the last five years. Yet, it is clear that only through greatly increased support by our churches can the Hospital hope to continue to give the large volume of free service it has been giving to our people.

We believe Baptists of North Carolina will provide the necessary funds if they realize the need. for we have found that when churches acquaint their people with the need, the response is excellent. When the hospital movie and the slide film have been shown and an active effort has been made to present the Mother's Day program, offerings have been generous. Our need, therefore, is simply for our churches to inform their people of the need more effectively. We shall be happy to assist you in your efforts.

Report read and adopted. Discussed by Dr. W. K. McKee, Hospital Representative, Winston-Salem.

Introductory Sermon by the appointee, Rev. Grady Shepherd, speaking from Acts 1-2.

12:00 Adjourn for dinner.

AFTERNOON SERVICE BAPTIST CHILDRENS HOME REPORT

The year 1957-1958 has been a fruitful one in expanding services. Since October 1, 1957, North Carolina Baptists have directly served a grand total of 753 children. In addition to these, our social workers have been able to place with relatives or other agencies more than 200 children where their needs are now being met. Each application has been investigated by our case workers. During the past year we were able to admit about one-fourth of the applicants as compared with one-fifth admitted in 1956. Through the dedicated resourcefulness of our social workers, many homes were re-established while others were saved from breaking.

Last year we asked for an increase of 10 per cent in the Thanksgiving Offering. The churches responded with a 15 per cent increase. This increase of \$31,000 enabled us to support the Indian work at Pembroke and at the same time to considerably expand the Foster Home Program. We have confidence that North Carolina Baptists will continue to remember deserving children at Thanksgiving with a generous offering.

Respectfully submitted,
Lloyd Fish

Report was read by Rev. Bobby Gibson, in the absence of the Representative.

Report adopted. Rev. Roger Williams, Childrens Home Representative, spoke on the childrens home.

Time was given then to Bill Spradlin, Training Union Director

of the Buncombe Association.

Periodicals Report called for.

PERIODICALS REPORT

The printed page is more powerful than bombs and bullets to conquer the minds and hearts of men. Never before has so much reading matter been before the eyes of the people, as today. Baptists, like others are often tempted to stop, look, buy and read from the stream of poison that flows from the many publishers bent on selling more and more of their unclean books, and magazines, to enrich themselves. We recommend to our churches and Sunday Schools first the Bible and then our Baptist denominational books and periodicals, published by our Sunday School Board. We have the Charity and Children, Biblical Recorder and other religious papers

Respectfully submitted,
Mrs. James McElreath

EDUCATION REPORT

Christian Education is too big a subject to be discussed in such a brief report. It may be well to consider this subject as it relates to this state and as it is promoted through the Baptist Schools of the state.

The Baptist People of North Carolina have long been interested in Christian Education, and today we point with pride to our Christian schools: Wake Forest, Mars Hill, Meredith, Campbell, Gardner-Webb and Wingate. As we look at these schools and the fine work that is being done we are happy that North Carolina has made progress in Christian Education.

Committee: Claud A. Green, Rev. Grady Shepherd, Rev. Garland Jenkins.

TEMPERANCE REPORT

No matter how close we try to live for God. We can always find work to do. We can lead people from sin to Christ. Homes are broken up, children are left without a home, all because of strong drink. Let us fight strong drink more every day, and walk with Christ so people can see Him in our lives.

AMERICAN BIBLE SOCIETY REPORT

If the people of the whole world are to know Jesus Christ, the hope of men and nations, they must have the Bible.

The Bible is the chief tool for each person. It can keep on speaking in a person's heart when the Missionary is gone. Every person must have the Bible in his own language. The American Bible Society helps to translate the Bible and publish without note or comment, and distributes without profit.

During 1957 the American Bible Society distributed nearly 15 million volumes of scripture, translated in many different languages and dialects.

The Southern Baptist Churches gave to American Bible Society \$118,815 in 1957.

The help of our church is needed. May each church give to support such a worthy cause.

Respectfully submitted,
Mrs. Hilda Scott

THE NEW FOUND BAPTIST ASSOCIATION

CONSTITUTION

Whereas, the following Missionary Baptist Churches: Antioch, Ball City, Bear Creek, Beulah, Caney Fork, Cedar Hill, Chestnut Grove, Cross Rock, Ebenezer, Flats Spring Creek, French Broad, Harmony Hill, Hopewell, Hot Springs, First Inanda, Jones Valley, Liberty, Lower Big Pine, Lusk Chapel, Meadow Fork, New Hope, North Fork, Old Bull Creek, Paynes Chapel, Pinnacle View, Price Chapel, Redmon, Riverview, Turkey Creek, Union, Woodfin, Zion, Churches of the New Found Missionary Baptist Association of North Carolina and other bodies propose uniting by these writings for the promotion of the Redeemer's Kingdom by the maintenance of love and friendship, and

by mutual consultation for peace and welfare of each other, the following articles are adopted as the written bond of union:

Section 1.—The confederation of churches shall be known and called by the name of the New Found Baptist Association.

Section 2.—The object of the Association shall be to promote the glory of God on earth by preaching of His Son, Jesus Christ, our Savior, the universal spread of the Holy Bible, the word of the true God, and by other appropriate means.

Section 3.—This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4.—Each church shall be entitled to as many as seven representatives as delegates to the Association.

Section 5.—The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer and Assistant Clerk. These shall be ex-officio members of the Executive Committee.

Section 6.—Baptist churches not before united in an Association or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union by a majority consent of the Messengers present: provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Section 7.—This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

Section 8.—As every church is an independent body, amenable so far as authority is concerned to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Section 9.—In case of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the messengers. If neither party obtains a majority vote, the church will be considered dropped. No charges shall be received against a church unless presented from two or more churches in the union, through their Messengers.

Section 10.—It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 11.—The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all business shall have been regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 12.—When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Section 13.—The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by the body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's Kingdom on earth.

Section 14.—The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years, or report sent in, shall be cause to withdraw from such church, at the discretion of the Association.

Section 15.—Amendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the Minutes of the preceding year.

Section 16.—The Constitution shall be printed in the Minutes of the Association each year and in force on and after the annual session of the preceding year.

Section 17.—Any and all previous Constitution of this Association is hereby repealed.

THE NEW FOUND BAPTIST ASSOCIATION BY-LAWS OR RULES OF ORDER

1.—Every sitting of this body, the New Found Baptist Association, shall be opened and closed by prayer.

2.—A Moderator, Vice-Moderator, Clerk and Treasurer and Assistant Clerk and other officers shall be chosen annually by ballot, or if unanimously, by acclamation before noon on the first day of the annual session of the body present and take over their office the last act of the session.

3.—The Moderator shall preside and decide all questions of order, subject to appeal to the Association. He shall appoint all committees, unless otherwise ordered.

4.—The Clerk shall preserve a regular file of minutes of the Association from year to year, and have it present at the meeting of the body; and when he vacates his office, deliver the same with all books and other papers relating to his office, to his successor. He shall be required to keep an accurate record of the proceedings of the meetings and have charge of the printing of the Minutes of the Association.

5.—Business generally shall originate from minutes of the last session and the letters of the present but other matters may be introduced by consent of the Association.

6.—Brethren invited to seats with us shall have the liberty of discussion but not a vote.

7.—No question shall be discussed without a motion thereon first being made and seconded. Motion made and seconded shall be stated by the Moderator previous to any discussion thereon. All resolutions shall be reduced to writing before being put to vote. Lost motions shall not be recorded unless ordered.

8.—Speakers shall rise and address the Moderator, and if recognized, shall confine themselves to the subject under discussion. No person shall speak more than twice on the same subject without leave

of the Association.

9.—If a proposition or motion contains two or more points it shall be divided by request of one or more members and vote taken separately.

10.—The Moderator may speak on any subject, either by permission or provided the chair is filled by the Vice-Moderator or a member of the Association. He shall not vote unless the Association is divided.

11.—A motion to adjourn shall always be in order, except when the Association is voting or a member speaking, and shall be decided without debate.

12.—In case any church of this Association shall not be represented by messenger or letter at two consecutive annual sessions, a committee, to consist of two pastors and one layman, shall be appointed by the Moderator to visit said church, and, in behalf of the Association, to counsel and advise or aid in a series of meetings or otherwise encourage and help such church, as the case may demand, and report to the Association at the next session.

13.—Each church in this Association is urged to contribute systematically during the year for Missions and Benevolences, and to forward same to the Secretary-Treasurer of the General Board at Raleigh, N. C.

14.—The churches and Sunday Schools are urged to make full and exact reports of all money raised during the Association year, taking pains to fill out correctly all statistical blanks.

15.—Statistical tables showing statistics of the churches including all finances, shall be published in the minutes each year. All Sunday School statistics shall be published in a separate table.

16.—These rules of order shall be printed in the Minutes every year, and shall be read immediately after the organization of the body.

Hospital Report called for.

HOSPITAL REPORT

A constant effort is being made at our Baptist Medical Center to minister to the sick, with all types of serious illness, and make it personal and Christian in its care of sick people.

Out-patients department of the 31 clinics received 66,000 visits from patients from 95 counties of the state. This service was rendered of those unable to pay for care, wherein about as many private—or full pay patients were also received. Services of physicians are free to all these patients, but hospital charges must be made unless other arrangements have been made by the family. Over one-million dollars was spent last year alone in care of these patients. Mothers

Day Fund along with welfare funds and other agencies, and foundations supplied more than half of this service free to our very poor people.

But the Mother's Day Fund did not cover the cost of care to even the most needy.

Rev. Bobby Gibson, Representative

Report read by Rev. Bobby Gibson.

Read and adopted.

Discussed by Coy C. Carpenter, M.D., Dean of the Bowman Gray School of Medicine, Winston-Salem, N. C.

Children's Home Report called for.

BAPTIST CHILDREN HOMES REPORT

North Carolina Baptists have shown remarkable interest in their Children's Homes during the past year. Numerous church groups have visited the three campuses. Continued financial support has been encouraging. Awakened interest in your Child Care program has been evidenced in many respects.

Program Studied

During the past year members of the Children's Home staff, under the best leadership available, have engaged themselves in a conscientious study of the entire Child Care program sponsored by North Carolina Baptists. Findings have been gratifying. The program has a commendable history and is one of the best in the nation. Every effort is being made by the present administration to continue the best care possible for dependent children.

Children Served

More than 1,000 boys and girls were served by the Children's Homes during the past year. Mills Home, Kennedy Home, and Odum Home provided care for 547 children while 197 lived in Foster homes. Through financial assistance of the Mothers Aid program 40 children were able to live with their mothers. Supervision and financial help were afforded 30 college students. Resourceful case workers assisted 214 additional children to find homes with relatives and other social service agencies.

More Adequate Financial Support

The Convention has voted to bring the Children's Home into the Co-operative Program on the same basis as all other institutions and objects. Church may continue to send once-a-month offerings and special gifts. Designated gifts from churches to the Children's Homes will be administered by the Convention in the same manner as designated gifts from churches to other institutions. The Homes are encouraged with this improved financial relationship with the Convention. For lack of sufficient income the Homes operated on a \$22,000 deficit in 1958. The deficit for 1959 will be approximately \$65,000. The only way the Homes have of meeting the \$65,000 deficit this year is through a substantial increase in the Thanksgiving Offering.

What Of The Future?

With the increase in population, the development of industry, the growth of cities and the mounting tensions in present day society, there is an increasing demand for services to dependent children. Your Children's Homes are being asked by the Convention to expand

their services. With your prayers, loyal and generous support, your leadership will continue to move forward as resources are made available.

Report read by Lloyd Fish, Representative, was adopted.

Discussed by W. R. Wagoner, Superintendent of Mills Children's Home, Thomasville.

Home for the Aged Report called for.

HOME OF THE AGED

Our Baptist Homes for the aged have been operating for nine years. They have served many of our aged people. Could have served more if they had of had the room and facilities to do so. It brings much joy to our hearts that we can report that our three homes, Resthaven, Albemarle, and Headquarters Building are free from debt, thanks to our Lord and friends of the homes who have helped to make this possible. These homes all the year have been filled to capacity, 119, counting residents and helpers. Surely the words of our Lord, "In as much as ye have done it unto one of the least of these my brethren, ye have done it unto me," are applicable to those who help make such services possible.

Report was called for but representative was not present. So it was moved to adopt the association report from the Home for the Aged.

Discussed by Charles P. Burchette Jr., Representative from Home for the Aged, Winston-Salem. Sunday School report called for.

PERIODICALS REPORT

Christian Democracy depends on informed, enlightened people for progress. To be informed we must read. When the Apostle Paul in writing to Timothy said, "Give attention to reading," there were no newspapers, magazines or printing presses. Never in the history of time has there been as much reading matter as today, much of it is bad. So Christian people must cast aside the evil and turn to that which is good. The Bible occupies first place always as we read in search for the truth. All Christian Literature must forever be dedicated to the furtherance of the Gospel or it fails in its purpose. The Biblical Recorder was founded in 1833, its purpose to keep people informed of Baptist activities. Many other religious papers are being printed periodically. It's time that we as Christian people compare all reading material to the teachings of the Bible and shun that which is evil and cleave to that which is good that we might not be tossed about by every wind and doctrine, but be established in the teachings of our Lord and Saviour Jesus Christ.

Mrs. Marie Rash

American Bible Society Report called for.

AMERICAN BIBLE SOCIETY

The American Bible Society rejoices in Southern Baptist plans for the Baptist Jubilee Advance, 1959-1964, because Southern Baptists thoroughly recognize these basic missionary principles:

People must have the Bible because it presents Jesus Christ, the one hope of men and nations.

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

In most countries, people cannot afford even the cost of printing the Scriptures.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary.

It can go where the human missionary cannot go. It can stay on after he must leave—and keep on speaking to a person's heart.

The American Bible Society is an active partner of Southern Baptists. It serves every form of Southern Baptist mission work at home and abroad. The Society helps missionaries to **translate** the Bible, **publishes** without note or comment and **distributes** without profit, usually below cost, for worldwide mission work. For the Blind, it supplies Scriptures at a small fraction of their cost, in Braille and other raised-letter systems and on Talking Book records.

During 1958 the American Bible Society—

—distributed around the world a record total of over 16½ million volumes of Scriptures.

—donated more than one million Scripture volumes for distribution by the Chaplains to our Armed Forces, as a vital link between the home churches and the men in service.

—enlarged the ministry of the Finger Phono, a phonograph operated by one finger, now being supplied, with Scripture recordings in the language needed, in areas where few people can read. They are in use in the U.S.A. among Navaho Indians and in Africa and Asia. In 1958 the program was expanded to include 25 additional languages.

If neither party obtains a majority vote, the church will be considered dropped. No charges shall be received against a church unless presented from two or more churches in the Union, through their Messengers.

American Bible Society Report called for.

GENERAL REPORT OF THE AMERICAN BIBLE SOCIETY FOR 1960

The Bible is the Book for Everyone. This is the conviction of the American Bible Society as it seeks to fulfill our Lord's mandate to take the Gospel to every creature.

This is accomplished whenever the man with the Book meets the man without the Book. When the Scriptures reach the hands of those who have waited and prayed for the Word of God in their own language, or when a life is transformed through the Bible's pages of power, the mission of the Bible Society is seen in sharpest focus.

Since the Bible is the Book for Everyone it must be made universally available. It must be made possible to place the Scriptures in the hands of every man, whatever tongue he may speak, regardless of his station in life, wherever he lives. Aids to translators, careful proofreading, printing, shipping, accounting, administrative care and planning, financial support, are channels through which the Scriptures flow to the spiritual deserts of the world. This report presents the outstanding achievements of your American Bible Society during 1959.

Respectfully submitted,
Mrs. James McElreath

Hospital Report called for.

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

The Ministry of our Baptist Hospital touches every area of our state. Last year it served more than 17,000 bed patients, with 150,000 visits being made to the clinics and offices. They came for examinations, medical treatment, skilled surgery, and spiritual guidance. Many of our homes, most of our churches, and almost all of our communities have been served by this ministry of healing. It touches the family life of about a quarter of a million of our people each year.

Sickness is no respecter of persons or pocket books. It strikes the rich and poor alike — the widow, the orphan, the aged. There are times when they need such specialized care as that available at our Baptist Hospital. The Mother's Day Fund provides money with which our Hospital gives assistance to those who cannot pay the full cost of their care. Our Hospital almost doubles our gifts with matching funds

from welfare agencies and other gifts. In addition to this, the medical staff gives its services without charge to all service patients, except for available insurance payments.

Probably we should ask ourselves if we as Christians should provide such a ministry for our needy, sick neighbors. Jesus and the New Testament writers give us the answer. But do we really want such a ministry? It cannot be provided except at great cost. Our Hospital receives about 3¾% of our Co-operative Program funds for payments on the buildings, purchase of expensive equipment, such as heart-lung machines, and for the Department of Pastoral Care. Our Mother's Day Fund provides the money to help pay the hospital bills of needy, sick persons. The amount of this fund determines for the most part the amount of help our Hospital can give.

If we are serious about this ministry which was so close to the heart of our Lord, and want our Hospital to give help when our people need it, we are going to have to become serious about our giving to the Mother's Day Fund. Our Hospital is facing a grave financial problem, and if it is to give free service we are going to have to contribute the money to finance the program.

The only way we can support this work is to plan for it, to make somebody in each church responsible for it, to let our people know about the need, and to challenge them to give of their means. Some of our churches over the state have been doing this, and our people have demonstrated that when this is done they will provide the necessary support. We come to ask you to do it in your church — not for the hospital, but for sick people who are in need.

Respectfully submitted,

Loyd Fish,

Hospital Representative

Children's Home Report called for.

CHILDREN'S HOME REPORT

The Baptist Children's Homes of North Carolina, Incorporated, is a multiple service agency providing Christian love and nurture for more than 800 deserving boys and girls annually.

The three homes are: Mills Home at Thomasville with 311 children, Kennedy Home at Kinston with 165, and Odum Home at Pembroke with 24 children.

There are 160 children in Foster Homes and 40 others who are assisted by Mother's Aid. Case work supervision is afforded 30 college students annually.

Children attend public school and participate in all school activities. Opportunities for Christian commitment and spiritual growth are afforded on the campuses, in the cottages, and through the Churches.

Relatives, pastors, social service agencies, and interested friends make inquiries about admission of children in need of care. When applications are received, well trained case workers make a thorough

study of each situation to determine the need and the best possible plan of care for the child.

The Social Service Department of the Children's Homes affords case work services throughout the state. Individuals, families, pastors, and Churches are entitled to this help upon request.

The Baptist Child Care Program is supported through the Co-operative Program 31.5 per cent, Thanksgiving Offerings 31.1 per cent, Once-A-Month Offerings 21.9 per cent, Special Gifts and Endowment 15.5 per cent.

Income for the past three years has not been sufficient to meet minimum needs. Many children have been denied a Christian home whom we should have served. An increased Thanksgiving Offering is imperative this year.

North Carolina Baptists have been caring for homeless and dependent children for 75 years. Appropriate observance of the 75th Anniversary will be made in November. During these years, more than 8,000 children have been afforded life's best opportunities. The need for such services increases with the development of industry, increase in population, growth of cities, and the mounting tensions which accrue to families in an urbanized society.

John E. Roberts became Editor of Charity and Children, June 1, 1960. We envision, under his editorship, this paper making an increasing contribution to the total life of our Baptist people.

North Carolina Baptists will continue to love and serve dependent children. No other object is so worthy of service and sacrifice. Many areas of unmet need confront us each day. Your continued interest and increasing support will help us meet them.

PERIODICALS REPORT

The day and time has come that we have no excuse for not being able to read and write. God's prophet Hosea 4:6 said "My People are destroyed for the lack of knowledge; because thou hast rejected knowledge, I will also reject thee."

II Timothy 2:15 reads "Study to show thy self approved unto God a workman that needeth not to be ashamed rightly dividing the word of truth."

The Baptist Board publishes the Biblical Recorder at Raleigh, the Commission at Richmond, Va., Home Missions at Atlanta, Home Life Builder and other good books and magazines at Nashville by the Southern Baptist Board. So let us take more interest in keeping up with our Baptist Denomination.

Because of the absence of the Home for the Aged, and no report being sent in the representative from the Home for the Aged, Chas. P. Burchette, gave a report for which the Association accepted and adopted.

The Home for the Aged Report called for.

HOME FOR THE AGED REPORT

God's gift to the Homes for the Aging during the past nine years has been James M. Hayes, Sr. No man could have worked harder, or accomplished more, than this dedicated man of God. On July 1, he relinquished the heavy and challenging responsibilities of the office of general superintendent to his successor, William A. Poole.

The new superintendent is diligently at work and is finding a solid foundation on which to build and expand our ministry to the aging in our midst.

Great blessings are in store for us in this tenth year of our Homes for the Aging. The new Infirmary Annex, constructed at a cost of \$193,000, and with 28 new rooms, will be in use by September 1. It is hoped that the construction of the proposed new Hamilton Home can

be started by late summer, with facilities for around 30 additional residents. Our hats are off to all who have given so liberally and worked so tirelessly in bringing this fourth Home to fulfillment!

At the present, there are sixty applicants on the waiting list, and new inquiries and applications pouring in daily. We now have a total of 106 residents in our three Homes — Resthaven, 20; Albemarle, 34; Headquarters, 52. Even with our new facilities, it is not unrealistic to say that we could fill rooms up to 500 in the next two years. We must attempt great things for God and expect great things from God as we plan for the future in our ministering to the ever-growing number of the aging who need the loving care of North Carolina Baptists.

One of the life-lines in our work is the vital relationship that we have with the pastors and churches of our Convention. We could not operate without this very important and blessed tie that binds. We are increasingly dependent upon the prayers and the financial support of the churches. During the fiscal year, October 1, 1959, to August 1, 1960, we have received \$82,521.20 from the churches. Of this amount, \$76,352.70 was contributed through the Special Day Offering in February. Although this amount is \$123,000 short of our goal of \$200,000, we are profoundly grateful to God and to everyone who has had a part in contributing to the worthy cause which we represent.

We are constantly experiencing mixed emotions in the Homes. We rejoiced with Aunt Fannie Drumwright on her 99th birthday in July, and were saddened by the deaths of Miss Lillie Herring in October, Mrs. Mary Holder in April, Mr. T. J. Castevens in June, and Mrs. Annie Smith in July.

We shall welcome a visit to the Homes from our fellow Baptists at any time and stand ready at all times to render the service that God has called us to render to the aging.

Let it be known throughout the bounds of our fair State that there is nothing to hinder any needy aging person in our midst from coming to the North Carolina Baptist Homes for the Aging except lack of space. Let us, therefore, dedicate ourselves to the end of making more space available at the earliest possible moment.

Report was read by the Clerk.

Unfinished, New Business and Miscellaneous.

UNFINISHED, NEW BUSINESS AND MISCELLANEOUS

To adopt a plan and order and ask support from each church for our aged ministers in the Association who are no longer able to be in service and who will need financial help. The clerk was asked to notify each in the Association as to this matter.

That it be taken up at the next Fifth Sunday meeting as to what to do about the money remaining in the Fifth Sunday Minister's Meeting Treasury at the end of each associational year.

The Association agreed and voted to pay the clerk \$50.00 for work on making out the minutes.

The Association adopted and voted another article to the By-Laws and Constitution of the Association. That a church ignoring and not abiding by the Constitution and By-Laws of the New Found Baptist Association, that a church walking off and joining another Association

without asking for a letter, if it comes back that it must make sufficient apologies to the Association before being taken back.
